PROFILE

Content-based ESL teacher with experience teaching Ethnic Studies and Geography to emergent bilingual students. Skilled in delivering TEKS-aligned instruction that also prepares students for TELPAS and STAAR U.S. History exam questions. Eager to transition to other Social Studies courses and teach AP or IB level classes in the future.

WORK EXPERIENCE

Content Based ESL Teacher
Austin ISD International High School | 2023 — Present

- Earned "Highly Effective" ratings in instructional evaluations each year.
- Adapt curriculum to make grade-level content accessible for students at various English levels.
- Implement targeted teaching strategies aligned with TELPAS and STAAR U.S. History to build academic language and content mastery.
- Integrate Harvard Case Method strategies for discussion-based learning and analysis based on the Harvard Case Method Workshop (attended Jan 2026).
- Design and facilitate Model UN simulations to enhance critical thinking and English speaking proficiency.
- Create culturally responsive research projects using oral history, case study, and content analysis.

Social Studies Teacher
Judson ISD Judson High School | 2022 — 2023

- Designed TEKS-aligned Geography lesson plans for four classes of 30+ students.
- Increased overall student test scores by 24% through targeted instruction and data-driven strategies.
- Improved emergent bilingual students' test scores by 18% through differentiated supports and language-building activities.

English Teacher
AMJ Studios Academy | 2020 — 2022

- Designed engaging Novel, Grammar, and Writing lesson plans tailored to support Korean students' English language development and literacy skills.
- Developed the academy's grammar curriculum to align instruction with program goals and student proficiency levels.
- Produced and directed 20 student-centered YouTube video projects, creating copy and managing all aspects of production to highlight student growth and strengthen parent engagement.

English Tutor
Spoon English | 2017 — 2022

- Tutored Korean students in English conversation, enhancing fluency and confidence.
- Prepared students for job interviews, building professional communication skills and confidence.
- Planned and facilitated interactive workshops integrating hobbies like calligraphy, baking, and film discussion to practice English in real-life contexts.
